This Article Applies to: ♥

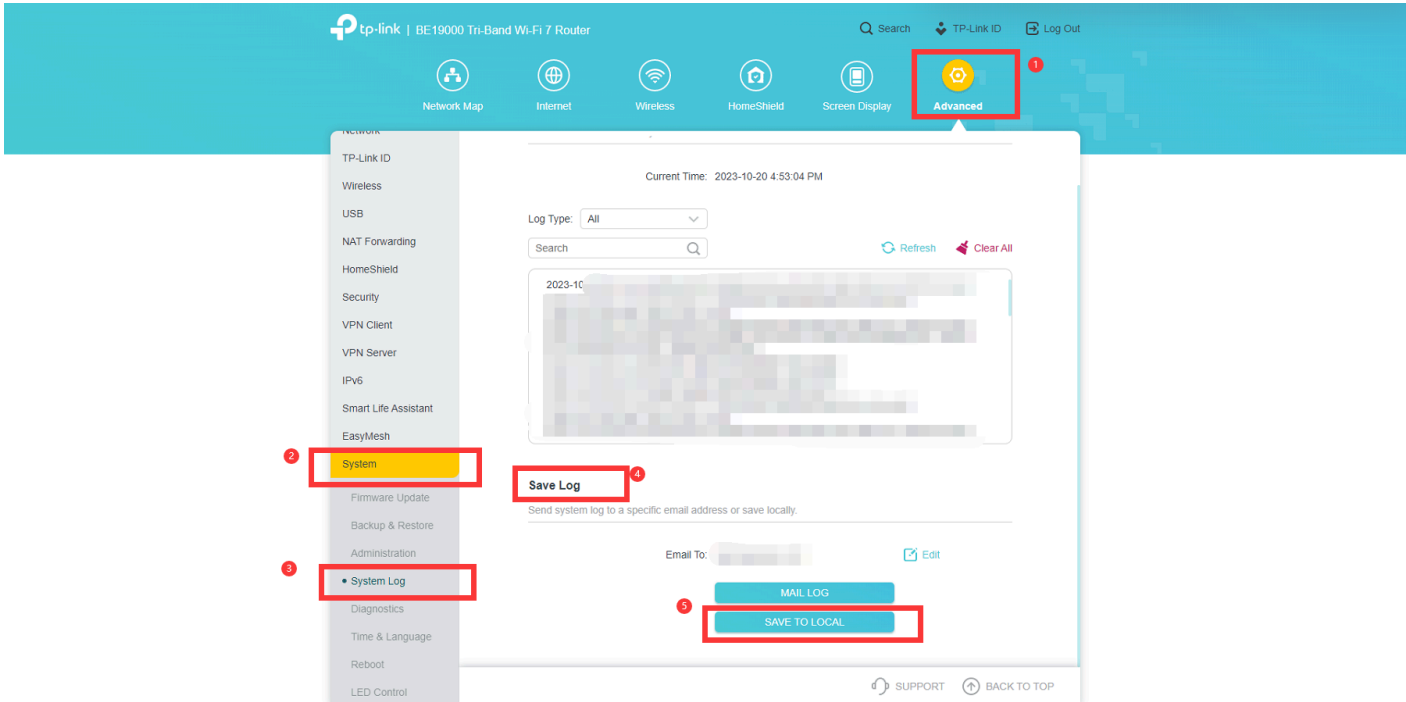

The following steps are available for reference (Here we take Archer BE800 as an example):

1. Log in Router's Web UI. (<https://www.tp-link.com/support/faq/87/>)

2. Go to **Advanced->System> System Log**, you can view different logs based on log type. Go to **Save Log** and choose **Save To Local**, the system log will be saved on your computer.
